## SCHOOL CLOSURE COVID-19 UPDATE

Dear Parents and Carers,

I hope you are all staying safe during these very challenging times. I wanted to update you all with regards to Remote Learning Provision, which we have now put in place.

This school closure will be very different to the one we experienced in March last year. In line with Government guidance, Lawn Primary will continue to provide all pupils a rich, broad and balanced curriculum offer, and therefore will receive the same standard of learning whether pupils are in school or at home. For pupils not attending school during the current closures, we will be providing Remote Learning via Google Classrooms.

Google Classroom Codes

Please find below the Google Classroom codes for each class

Class	Google Classroom Name	Google Classroom Code
Reception (Maple)	Maple Class	744vqsm
Year 1 (Beech)	Beech Class	elqhdmq
Year 2 (Cedar)	Cedar Class	iktrmuf
Year 3 (Willow)	Willow	rv27vbn
Year 4 (Silver Birch)	Silver Birch	eug2opp
Year 5 (Sycamore)	Sycamore	wicpex4
Year 6 (Oak)	Oak	guznae3

### Remote Learning Expectations

We will provide a timetable to help structure your child's learning and support you; however we understand that you may need to adjust timings to suit your family's needs. There will be a mixture of pre-recorded lessons, work put up for independent learning and live meets, where children can discuss their learning with the teacher. This has been done to accommodate those families with siblings, or parents who are working from home.

Your child's timetable will be uploaded on to their Google Classroom; and in the class section of the Lawn Website.

Your child should do their written work in their exercise books and photographed and uploaded to Google Classroom. This can all be done on your phone, iPad or computer. If you feel your child needs any further resources or a new book, please contact the school via School Comms App or email [ybull@lawnprimary.co.uk](mailto:ybull@lawnprimary.co.uk) or contact the school office.

The expectation is that remote learning is accessed and completed each and every day. Evidence of completed work will include photos of completed outcomes, quizzes or online tasks e.g. Times Table Rockstars Challenges.

**Home Learning – Troubleshooting**

We are currently putting together a collection of guidance and videos to help you with any queries you might have with Google Classroom and you will be able to find these on the website under Classes and then Remote Learning.

**Free School Meal - Vouchers**

We have ordered the FSM vouchers from WONDE which is the company we used at the start of the last lockdown. Vouchers covering FSM up to Friday 15<sup>th</sup> January should be with you soon.

**Free School Meals - Applications**

If you believe you may be entitled to Free School Meals, but are not currently receiving them, you can make an application via the link below.

<https://www.cloudforedu.org.uk/ofsm/kent/>

**Updates**

We will be informing you each week as events unfold in the form of a weekly update. This will be uploaded to the website.

I understand that it has been an extremely difficult time for many of our families, please remember we are here to help and here to listen if you need us.

Kind regards

Angela Wilson
